

## User Statistics Report

AbleWars has been a huge success. Many players have experienced greatness within this game. In this report we intend to showcase the best players within our app and how the statistics can affect our future plans. The following table shows the top 25% players based on win ratio.

Username	Wins	Losses	Games Played	WINRatio
averyClient1	5	0	5	100
averyClient3	1	0	1	100
RedHawk	1	0	1	100
BlueHawk	1	0	1	100
Levon3	2	0	2	100
Levon10	2	0	2	100
123qwe	4	1	5	80

The following chart represents the time range of top 25% fastest wins. For the future plans to add competitive game modes, the following time range can be set as the base time for the mode.

17

games in total played.

Out of them,

-3

games in total tied.
